Dear Football Officials,

A note to let you know we will be having the SIOA football meeting in August, but as yet I have not been able to nail down a date and time. However, I'm hoping the location will be in Burlington.

As soon as I can get a confirmed date, time and location I will post it on the website.

This will be a short meeting, shouldn't take more than an hour. We will pass out schedules, discuss any needed business and sort through conflicting dates.

*****If you are sponsoring a new member he/ she are required to attend this meeting. They will also be required to pay dues to the Association for their membership whether they receive a schedule or not...This was decided by the Board.**

*****If any of your contact information needs updated please get that to me as soon as you can. I will be posting a roster on the website for everyone's use...For this matter, I would prefer an email.**

REFEREES, If you have any crew changes that you have not yet shared with me, I will let you contact the Athletic Director to advise him / her of your personnel changes.

The JV and Middle School schedule is pretty much completed, but I'm still waiting for a couple of schools to send in their dates. I will not be making any changes at this point. So, if you have a conflict, you will be responsible for finding a replacement. The Junior Varsity and Middle School schedule will be posted on the website again this year. Basically you will have the same information that I have for finding replacements when needed. If you do run into trouble don't hesitate to contact me I'm sure the problem can be resolved in some way. And please, don't wait until the last moment to find replacements.

*****If you will not be working your assigned game, please give the Athletic Director a courtesy call and inform him / her of whom will be your replacement.**

Reminders...Please make sure you are up to date on your dues, both with the Association and State. Make sure your license is current and you have the right status for working the levels you are assigned.

The football clinic this year will be held at Mt. Pleasant High School. The date for the clinic is August 05, 2010; it will start at 6:00 p.m.

I know some of you won't make the meeting and I want to give you as much info as I can. If you will not be attending the meeting, please make arrangements for someone to pick up your schedule; I don't want to have to mail them. I'm sure I've forgotten some things, so if I think of anything else I find news worthy I will have it posted on the website. Please, check the website on a regular basis. I would recommend at least every other day.

Remember, feel free to contact me for any problems or situations that come about. If I don't hear about it, I can't fix it.

Have a great season,

Mike Sayre
