

A Quick Reminder for Everyone

Football Officials:

I have posted an updated roster from emails sent to me since our meeting at BHS. I know there are members that have not yet informed me of their contact information. Anyone that received a schedule, recently joined the SIOA, or has gotten games from other officials please look at the roster for your information to make sure it is correct. **I will also use this roster for next year's scheduling.**

New officials, if you want games next season get your info to me very soon.

Crew Chiefs:

Check the roster over carefully and see that your crew has their current contact information. I have been contacted by a few athletic directors looking for info.

Central Lee has rescheduled a JV game with Sigourney at Central Lee for October 12. Probably looking at a 6:00 or 6:30 start. We need 4 officials for that date. If you are interested in working email me. First four officials get the date.

Have a fun, successful and safe season everyone,
Mike
